

# **GAVRT**

## **SUMMER INSTITUTE 2018**

### ***Professional Development for Teachers***

*Join us and put the  
**Goldstone Apple Valley Radio Telescope**  
into the hands of your students so they can observe space  
phenomena with NASA/JPL and international space scientists*

*2-day Teacher Training on how students can use radio  
astronomy to observe solar system, galactic, and  
extra-galactic phenomena with GAVRT's 34-meter radio telescope*

*Q&A with professional radio astronomers and hands on training  
with Juno Team members*

*You and your students can see the universe with new eyes!*

### ***Opportunities to Join Us***

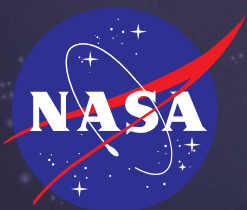

***Columbia Memorial Space Center with Tour - Downey, CA***

***June 12-14***

***Steven F. Udvar-Hazy Center - Chantilly, VA***

***June 26-27 & 28-29***

*Also available in Sydney, Australia on July 23-24. Contact us for more information.*
