

THE LEWIS CENTER FOR EDUCATIONAL RESEARCH SALUTES OUR TROOPS!

As we prepare to observe Memorial Day, the Lewis Center for Educational Research in Apple Valley, CA, is profoundly grateful for the sacrifices members of our U.S. military forces have made to keep America free since 1776. Today, more than 150 Lewis Center students are serving as U.S. Air Force ROTC Cadets. We are very proud of these dedicated young men and women, who gain a deep understanding and appreciation for the cost of freedom and the sacrifice so many have made to protect that freedom. And in the process, they are preparing to be leaders for our future.
