

**THE LEWIS CENTER FOR  
EDUCATIONAL RESEARCH WISHES  
YOU A MEMORABLE MEMORIAL DAY!**

On Memorial Day we remember and honor those who have given their lives to establish and maintain our freedom. At the Lewis Center for Educational Research, we celebrate our men and women in uniform not just on Memorial Day, but every day. Our on-campus Air Force Junior Reserve Officer Training Corps (AFJROTC) lets students (such as Cadet Andrew Burdette, shown at the opening ceremony at our Norton Space and Aeronautics Academy in San Bernardino, CA) experience first-hand the privilege of serving their community and their country. We are very proud that many Lewis Center AFJROTC graduates have gone on to serve with distinction in our Armed Forces. On this day of remembrance, we commend all those who have willingly gone in harm's way to serve our nation, and we pay special tribute to the patriotism and commitment of those who have made the ultimate sacrifice to assure that America remains the land of the free and the home of the brave.
