### Lewis Center receives funds from Emick Foundation

#### FROM STAFF REPORTS

**APPLE VALLEY** • In November, the Curt Emick Foundation recently donated funds to the Lewis Center's non-profit foundation for its educational programs and outreach. On Sept. 14, the Emick Foundation held a sneak preview reception fundraiser the day before the Lewis Center's Festival of the Arts was to take place. Guests enjoyed viewing the art, which was available for purchase, by students and adults from all over the Victor Valley that was entered into the festival. Next year's reception will be Sept. 13, 2013. For more
