### FROM STAFF REPORTS

Erin Rose, 12, is a lifelong resident of Apple Valley. She enjoys living in Apple Valley because of all the great people here.

“For my early life I enjoyed seeing and hanging out with my uncle and grandpa,” she said. “For my education I attended Victor Valley Christian School from preschool to fifth grade.”

She started to attend the Lewis Center this last school year for sixth grade which she enjoyed greatly.

“For my family life, I live with my wonderful mom, outrageous dad, and my awesome little brother,” she said. “I love the life that God has given me, and I would not change a single thing.”

•

Q: What do you do in your free time?

A: For my free time I enjoy softball, volleyball, swimming, dance, acting and photography. I also really enjoy hanging out with my friends, but most of all for my free time I love coming up with crazy ideas for school or any other activities, such as the guinea beauty contest my friend Gianna and I thought of.

•

Q: Who is someone who had a big influence on your life?

A: The person who has a huge influence in my life is my mom, Felicia Rose. The reason my mom is an influence is because she has always helped me with anything that happens in my life.

•

Q: Where do you find deep satisfaction?

A: What makes me really happy is working with 2- to 5-year-olds with my mom in the children's department at church. The reason it makes me so happy is because the kids are so sweet, and I love telling the little ones about Jesus.

•

Q: If you could change one thing about Apple Valley today, what would it be?

A: If I could change one thing in Apple Valley it would be to be more safe. The reason I say this is because there are some parts of Apple Valley that I feel are unsafe. I love Apple Valley and I would like for everyone, including my family and I, to be safe from danger.

•

Q: Who is your hero? (or someone you especially admire?)

A: I have more than one hero, which are my mom, dad, and God. I chose them because they are way more than heroes to me. They are outstanding heroes who all love me so much. God created me. How could he not be my hero? Then, my parents. They are amazing. They love and help me every day.

•

Q: Tell us about school life. What's it like?

A: For schooling I attended Victor Valley Christian School from preschool to fifth grade. For sixth grade I started to attend the Lewis Center (AAE), and I will until 12th grade. I've been to two totally different schools.

•

Q: What are five things you can't live without?

A: Five things I can't live without are my Bible, my two dogs, my laptop, my bed, and my family. I love all these things because they are so amazing, that is why I can't live without them.

•

Q: If you were President of the United States for one day, what would you do?

A: First of all I would be a Republican president. The thing I would change about the United States is to create more jobs for the USA.

•

Q: Tell us about one thing you want to accomplish in life.

A: I have more than one thing I would like to accomplish in my life. The first one is to be in the Olympics for swimming, gymnastics, running or volleyball. The other thing I would like to accomplish is to go to every professional baseball stadium and watch a game at each one.

•

Q: What are your hobbies?

A: Some of my hobbies are softball, volleyball and swimming. The reason I pick these hobbies are because I love sports, although sometimes they are very competitive.

•

Q: What are your three favorite places to eat in the High Desert?

A: My three most favorite places to eat are Nubi Yogurt, Siam Thai Cuisine, and Thai Lotus. I love eating at these places because they are all so delicious, and great family restaurants. I am not the only one who enjoys all of these places my family and friends do also.

•

Q: Is there anything else you'd like to say, anything you'd like to get off your chest?

A: I would like to thank my mom, dad, and brother for everything they have helped me with. I really appreciate this opportunity. THANK YOU.
